BitDefender Internet Security 2008

BitDefender Internet Security 2008 provides all the security your Internet-connected family or small business needs. It provides comprehensive proactive protection from viruses, hackers, spyware, spam and phishing emails, and it also protects children from inappropriate websites.

Product Description

ANTIVIRUS & ANTISPYWARE

- * Protects your PC in real time from known viruses, spyware and other malware with hourly updates
- * Blocks unknown viruses using advanced proactive detection techniques
- * Monitors and prevents spyware threats in real-time
- * Detects and removes the newest breed of hidden threats known as rootkits
- * Provides a smooth gaming experience by reducing the system load to a minimum

ANTI-PHISHING

- * Protects against phishing attacks by filtering all accessed web pages for fraud attempts
- * Reduces the risk of identity theft by preventing personal information leaks via e-mail or web.

FIREWALL

- * Controls applications' access to the Internet while "hiding" your computer from hackers
- * Helps prevent unauthorized access to your Wi-Fi network by notifying you when computers log in to the network.

ANTISPAM

- * Prevents different types of spam and scam e-mails from reaching your Inbox
- * Now responds faster to new spamming techniques with new adaptive engines

PARENTAL CONTROL

- * Blocks access to inappropriate websites and e-mail
- * Allows or blocks web access during specified time periods

More Features

Hassle – Free Hourly Updates

Hourly updates ensure that you are protected against the latest threats without pushing a button. Lost program files are not a problem either. In the rare event of file damage due to PC problems, BitDefender automatically repairs and updates itself.

FREE 24/7 Support

Got a question? Our security experts are available to help you 24/7 via phone, email or chat at no additional cost.

NEWGamer Mode

The new Gamer Mode temporarily modifies protection settings so as to minimize their impact on gaming performance, maintaining a safe, fun gaming experience.

System Requirements

- * Windows 2000 with Service Pack 4
- * Windows XP with Service Pack 2 (32/64 bit)
- * Windows Vista (32/64 bit)

The advertisement banner features a product box on the left, the product name and tagline in the center, the BitDefender logo on the right, and a promotional offer with a 'BUY NOW' button on the far right.
